

Bible printing has been our major product line for over 20 years. We have printed literature for over 140 Christian organizations including over 4 million Bibles and New Testaments. Among our customers are world-renowned organizations.

We have vast experience printing Bibles in different languages.

Our Bibles give people from all over the world access to God's Word, many of whom may have never read the Bible, especially in their own language. For all Christians our printed Bibles are an incredible tool not only to deepen their faith, but also to give guidance on how to reach out to their neighbors with this eternal message. For those yet to make a decision, our Bibles serve as a resource for exploring the person of Christ and answering their many questions.

We offer the most complete range of binding techniques Bible printing – case binding, hard back, perfect bound, saddle stitched, vinyl, genuine leather and PVC. We use first-class materials from over 50 leading world suppliers in Europe and US – OP Papirna, UPM Finland, Miquel&Costas, PDL (paper), HB Fuller (glue), Sun Chemical (ink), BN International, Synt 3 and Cromwell (cover material), Leonhard Kurz (foil), etc. The minimum paper weight we can use is 27 gsm which allows making 2,000-page books thinner and lighter yet preserving excellent quality.

We are able to communicate proficiently in several languages: French, Russian, and English. Our staff is very friendly, and ready to work with complicated jobs.

You can learn more about what customers have to say about us by visiting our [Testimonials](#) page.
